#Nagaland CM Shri Neiphiu Rio Visited #COVID19 control rooms at @StateDisaster and @HealthNagaland. Interacted with staff who were manning the control rooms round-the-clock. CM appreciate their efforts and hardwork and also urge everyone to cooperate and give our best in our fight against #covid. #TogetherWeCan . #Covid19

3. The Incident Response System (IRS) was activated in Nagaland in the wake of COVID-19 outbreak as per the Guideline by National Disaster Management Authority (NDMA) under Section 6 of the DM Act, 2005.

4. The Nagaland State Disaster Management Authority (NSDMA), Home Department in collaboration with the District Disaster Management Authority (DDMAs) distributed Relief Rice and Relief Packages to Sub-divisions, Organizations, and Daily wage earners during the COVID-19 lockdown. The DDMAs also arranged inter-district transportation for stranded local citizens. Various Relief Camps were also set up in all districts.

- The Nagaland State Disaster Management Authority (NSDMA), Home Department under the Chief Minister Special Package provided financial support to 21,797 (twenty one thousand seven hundred ninety seven) citizens of Nagaland who were stranded outside the State during the COVID-19 nationwide lockdown. A total of 16,135 (sixteen thousand one hundred thirty five) citizens were provided with One Time Assistance who opted to stay back.

Covid-19: Nagaland to pay Rs 10,000 to those who opt not to return

The one-time assistance would be given to those people from Nagaland who are currently staying in other states of the country including Sikkim. Those stranded in other north eastern states are not included in the scheme.

Kirloskar, Nagaland's chief secretary, Thangliu Thangliu, on Tuesday evening announced that the Government had decided to "give Rs 10,000 to those citizens of Nagaland presently staying outside who opt to stay back where they are at present". The information for the return of stranded persons, "first priority and preference" will be given to "stranded senior citizens and patients who had gone for medical treatment, stranded persons and those facing difficulties for repatriation to the State".

Through a press note, Thangliu said that the state government has been working on "detailed plans" to bring back the people of Nagaland who are stranded outside the State in a "coordinated manner", keeping in view the implications of a fresh surge in the spreading of the novel coronavirus.

"Moreover, the Government of India (GOI) through its administration has introduced the issuance of special train tickets from Delhi and other major cities has become a huge plus point for govt and the State Government is, therefore, working on a new scheme of providing assistance (OCT) of that they require and assistance and other facilities before the arrival of the stranded and distressed citizens into the State."

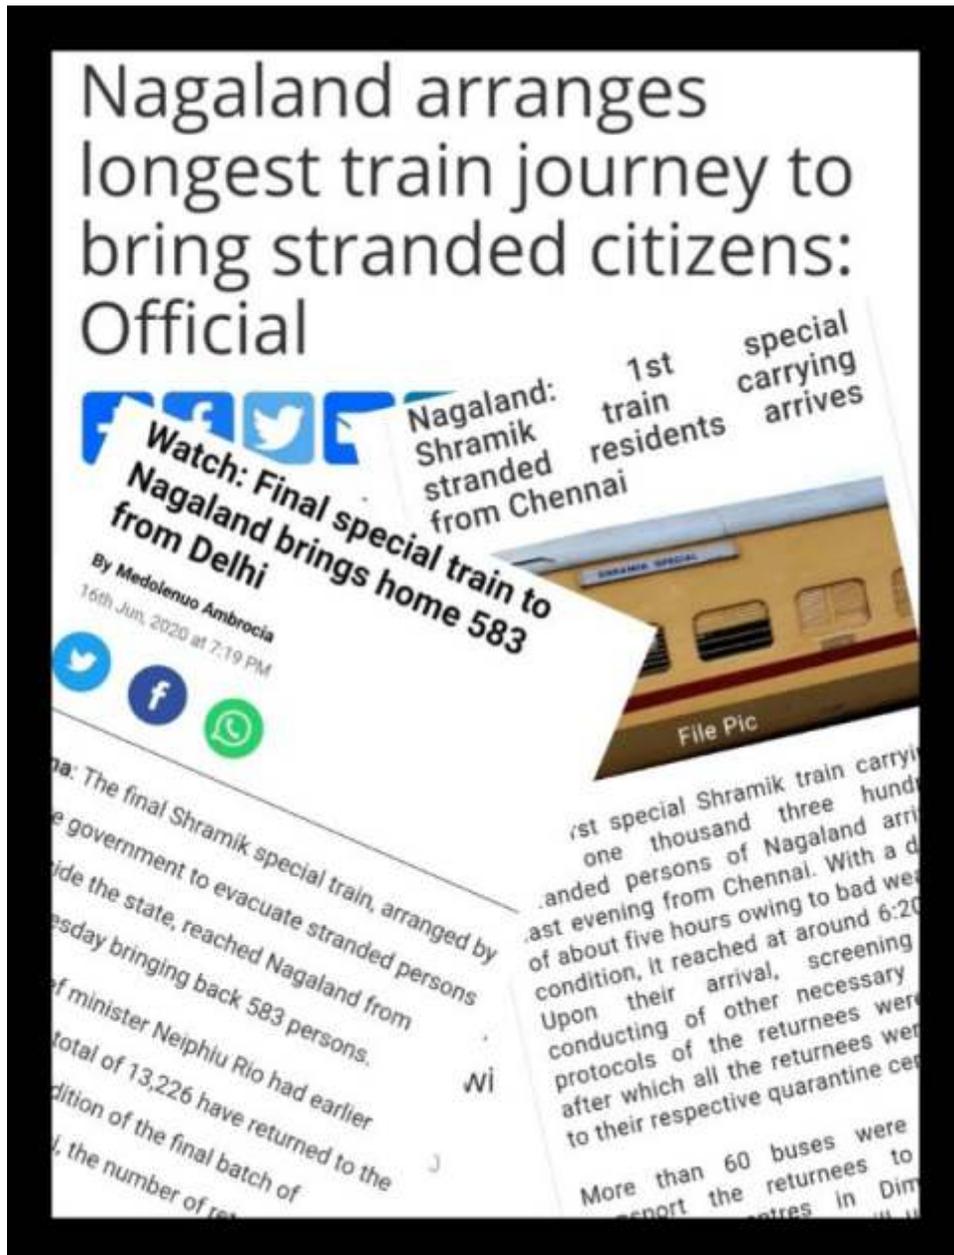

government "aggravated" the crisis to check, to the State and ensure the return of stranded persons to their home State to stay back.

COVID-19: Nagaland to provide cash assistance people stranded outside state

6. The NSDMA, Home Department assisted the State Government in managing the transportation charges of the special Shramik trains, buses and other vehicles bringing back stranded citizens of Nagaland. Special trains were also arranged in sending back the stranded migrants to their respective States.

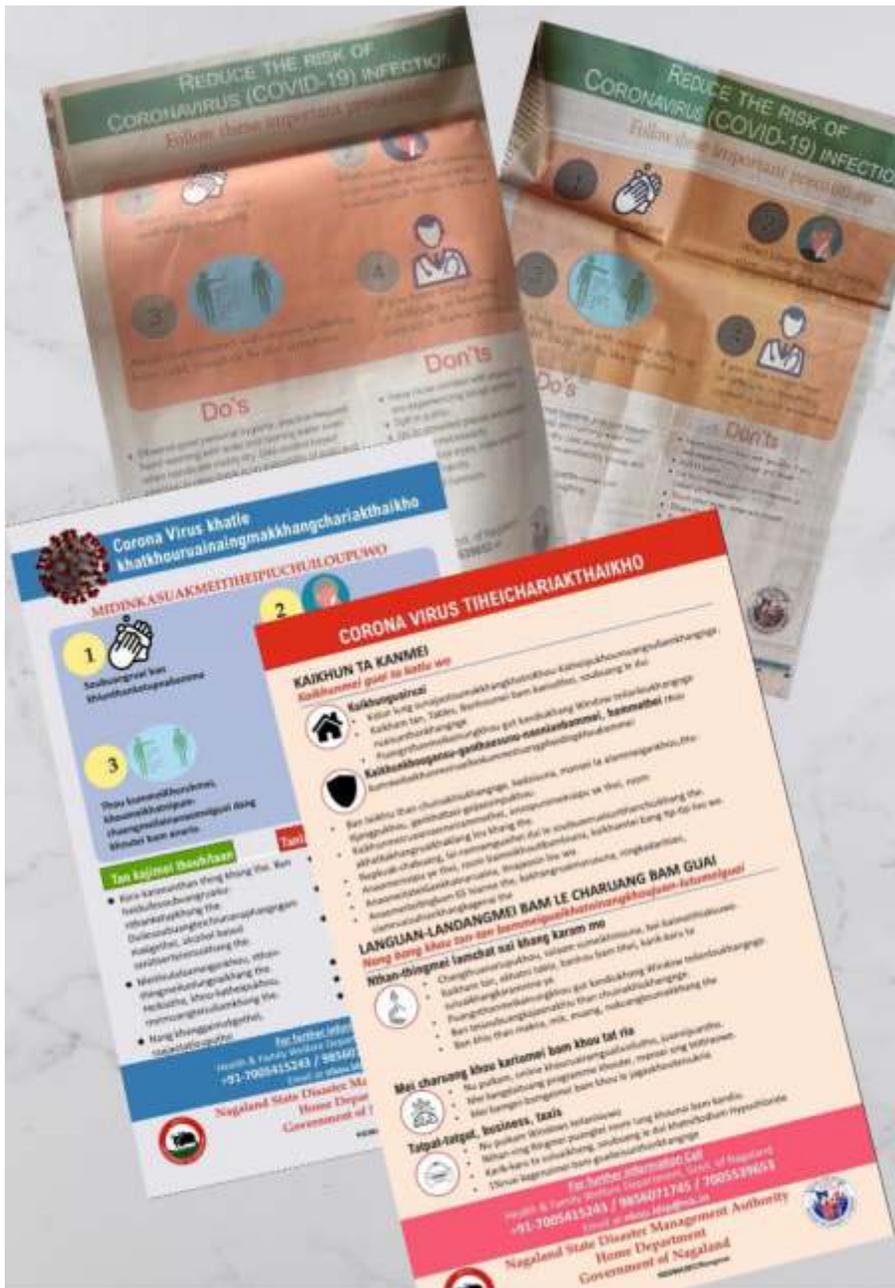

7. The Nagaland State Disaster Management Authority (NSDMA), Home Department distributed items such as sanitizer, PPE kit, disinfectant, sprayer, fumigating machine, sanitizer stand to all the districts and government offices.
8. To create awareness on preventing the spread of the deadly coronavirus (COVID-19), the Nagaland State Disaster Management Authority (NSDMA) and Nagaland Geographical Information System (NGIS), in a joint effort sent out drones informing locals about the Do's and Don'ts of COVID-19. The joint team also begun drone delivery of medical kits including PPE suits, face masks and disinfectant liquids to Hospital and Quarantine Centre in Kohima with zero human contact.

9. The Nagaland State Disaster Management Authority (NSDMA), Home Department, utilized the services of the State Disaster Response Force (SDRF) HG&CD and National Disaster Response Force (NDRF) in sanitizing offices, market places, vehicles and other public places.

10. The Nagaland State Disaster Management Authority (NSDMA), Home Department brought out Handouts/ brochure on Do's and Don'ts of COVID-19 which were translated in all local dialect and distributed to all districts. Broadcasting jingles on AIR was also carried out on daily basis. To create further awareness on social media, short duration videos were produced and circulated on various social media platforms.

11. The State Government set up various Quarantine Centers in all Districts wherein NSDMA assisted the Government in managing the quarantine center.
